OAHU GETS DECISION ON FIRST POLO GAME

HONOLULU, Sept. 4.—And Oahu won. It was in closing minutes of the game that Maui pulled her team together and carried the ball down the field with an irresistible rush. With ten seconds to play Maui got a long chance at a goal, and Fred Baldwin took that chance. The white ball sped straight toward the posts. Then sounded the gong across the field for the call of time and before the echoes had died away the ball had flashed between the post—too late. It was Oahu's day, and the wearers of the Blue and White had won the game, 4 to 4.—It was polo from start to finish, and that tells the story of a hard and beautifully fought game. Oahu won because her men were the more accurate in goal-shooting, but it was the closest kind of a Victory. Oahu scored five goals, and lost a quarter point on account of a safety. Maui scored four times on Oahu.

Captain Frank Baldwin of the Maui team protested the game on the ground that the time keepers had not allowed enough time, that the last goal should count. He based his decision on the fact that time had been taken out for George Angus, of the Oahu team, to change horses in the last period. Umpire A. W. Carter declared that the time was correctly kept, and awarded Oahu the game.

It was an unfortunate ending to a splendid game. Only one accident marred the day. At the beginning of the third period Capt. Walter Dillingham of the Oahus, leaning far over to make a difficult stroke, wrenched or tore the inside muscles of his thigh, and had to be taken from the field. Up till then he had been the star of the game, and the Oahu team was out playing its opponents. George Angus took his place, and played hard. By desperate work the Oahus held their advantage and won out. Dillingham will probably be out of the game next Wednesday and this means a great loss to the team.

The game itself was fast and pretty. In the early periods the Oahu's horses held their own. In the last two periods the strain began to tell, and the Maui horses outfooted their tired opponents. Maui had fresh mounts throughout using twice as many horses as did Oahu.

Brilliant plays were executed by the members of both teams. Until forced to retire on account of injury, Captain Dillingham played fine polo. He was in the thick of every rally, directing his men intelligently and his own clean, long hitting was directly responsible for goals. Harold Castle had a positive genius for diving into the bunch of men and horses picking out the ball, and carrying it down the field. His little black mount, Gypsy, was the best horse on the field, fast, quick as a cat, and a marvel for gameness and staying qualities. Judd's back-hand strokes and riding off were very good, and Cooke played beyond any form he has previously shown. Angus won applause for well executed strokes.

Cap. Frank Baldwin and Fred starred for the Maui. Frank is a hard rider and a very aggressive player. Fleming and Harry Baldwin both did some very good work. Officials—A. W. Carter, umpire; Harold Dillingham, A. F. Judd,

linesmen; George Potter, Harold Gifford, goal judges; E. A. Mott-Smith, Clifford Kimball, timekeepers; John Fleming, tournament manager.

HONOLULU, Sept. 6.—The Maui polo team won by a score of 8 to 4. Maui out played the Oahu team on all points.

TEACHERS MUST GET CERTIFICATES.

HONOLULU Sept. 2.—The Board of Education held a regular meeting yesterday afternoon. A resolution presented by the Teacher's Committee, intended to establish the rule of having only teachers with certificates employed, was adopted. It is as follows:

"Whereas, the attention of the Department of Public Instruction has been called to the fact that there are some sixty teachers in the employ of this department who have never held any certificates, and also that many of the certificates formerly issued to teachers in the employ of the department have already expired, therefore be it

"Resolved: 1. That all teachers in the employ of this department who have no certificates, all those whose certificates have already expired and those whose certificates will have expired by September 1, 1906, shall be required to take the examination to be held July 12, 13 and 14, 1906.

That all first class certificates and all Normal certificates issued prior to this date be extended in time indefinitely, subject, however, to recall by the department at any time after the expiration of their prescribed time limit if the standing of the teacher does not warrant renewal.

"3. That a copy of these resolutions be sent to all teachers affected, in order that ample time may be afforded them to prepare for the next examination."

Superintendent Davis announced that affairs were in good shape for the reopening of the schools next Tuesday, but that the Normal school may not be ready until a few days later.

That the terms for the school year 1905-1906 be as follows:

Fall Term—September 5, 1905, to December 22, 1905,
Winter Term—January 6, 1906, to April 6, 1906.
Spring Term—April, 16, 1906, to June 15, 1906.
